

ACHA 2018 Annual Meeting Continuing Education (CE) Grid

Key:

- CME:** identifies the CE credit hours available to physicians and physician assistants
- AAFP-P:** identifies the Prescribed credit hours available to members of the American Academy of Family Physicians
- CNE:** identifies the CE contact hours available to nurses. Note: Pharmacology hours, when available, are listed after the total number of contact hours (e.g., 1.5/.75)
- CHES:** identifies the CE contact hours available to Certified Health Education Specialists
- MCHES:** identifies the advanced-level contact hours available to Master Certified Health Education Specialists
- PsyCE:** identifies the CE credit hours available to psychologists
- NBCC:** identifies the NBCC approved clock hours available to national certified counselors
- NASW:** identifies the CE credit hours available to social workers
- CPEU:** identifies the continuing professional education hours available to Commission on Dietetic Registration (CDR) credentialed practitioners
- AHIMA:** identifies the continuing education units available to American Health Information Management Association (AHIMA) credential holders
- ACPE:** identifies the CE credit hours available to pharmacists
