Job Title: Physician/UKHC

Requisition Number: RE18157

Working Title: UHS Employee Health Physician

Department Name: UHS055: University Health Service/ Hosp

Work Location: Lexington, KY

Grade Level: 00

Salary Range: Full-Time

Type of Position: Staff

Position Time Status: Full-Time

Required Education: No set minimum requirements.

Required Related Experience: No set minimum requirements.

License/Registration/Certification: None

Physical Requirements: The physical requirements of this position include: occasionally lifting, pushing, and/or pulling objects up to 50lbs; occasionally standing or walking with objects up to 10lbs; occasionally sitting at a computer workstation for extended periods of time with repetitive motions (such as typing); occasionally working in confined spaces; occasional risk of injuries from use of equipment on the job and blood borne and/or airborne pathogens; and occasionally dealing with combative and/or violent people.

Shift: Primarily day shift Monday through Friday with additional shift/hours required per business needs. This position includes on-call rotation.

Job Summary: The University of Health Services is looking for a full-time Physician to work in our Employee Health and our Primary Care Clinic. The duties of this position include: providing high-quality and cost-efficient healthcare for both UKHC employee patients and student patients at the University of Kentucky that will consist of a complete and accurate medical history, physical examination, diagnosis, treatment, and documentation using the electronic medical record. Patients should be seen on-time and treated respectfully by making customer service a top priority; and the clinician will be expected to participate in teaching health care students and residents.

Skills / Knowledge / Abilities: The ideal candidate will possess clinical primary care and occupational health experience; have direct patient care experience; have the ability to manage multiple activities and timelines; have strong customer service skills; excellent perception and active listening skills; possess a high attention to detail; be well organized; have exceptional communication skills (both written & verbal); enjoy working independently as well as closely with their co-workers in a supportive team environment; be dependable and possess good computer skills (to include Electronic Medical Records and Microsoft Office). The physical requirements of this position include: occasionally lifting, pushing, and/or pulling objects up to 50lbs; occasionally standing or walking with objects up to 10lbs; occasionally sitting at a computer workstation for extended periods of time with repetitive motions (such as typing); occasionally working in confined spaces; occasional risk of injuries from use of equipment on the job and blood borne and/or airborne pathogens; and occasionally dealing with combative and/or violent people.

License/Registration/Certification: Required

Deadline to Apply: 06/10/2019

University Community of Inclusion: The University of Kentucky is committed to a diverse and inclusive workforce by ensuring all our students, faculty, and staff work in an environment of openness and acceptance. We strive to foster a community where people of all backgrounds, identities, and perspectives can feel secure and welcome. We also value the well-being of each of our employees and are dedicated to creating a healthy place to work, learn and live. In the interest of maintaining a safe and healthy environment for our students, employees, patients and visitors the University of Kentucky is a Tobacco & Drug Free campus.

As an Equal Opportunity Employer, we strongly encourage veterans, individuals with disabilities, women, and all minorities to consider our employment opportunities.

Any candidate offered a position may be required to pass pre-employment screenings as mandated by University of Kentucky Human Resources. These screenings may include a national background check and/or drug screen.
