About the University of Georgia
The University of Georgia (UGA), a land-grant and sea-grant university with statewide commitments and responsibilities is the state’s oldest, most comprehensive, and most diversified institution of higher education (http://www.uga.edu/). UGA is currently ranked among the top 20 public universities in U.S. News & World Report. The University’s main campus is located in Athens, approximately 65 miles northeast of Atlanta, with extended campuses in Atlanta, Griffin, Gwinnett, and Tifton. UGA was founded in 1785 by the Georgia General Assembly as the first state-chartered University in the country. UGA employs approximately 1,800 full-time instructional faculty and more than 7,600 full-time staff. The University’s enrollment exceeds 36,000 students including over 27,500 undergraduates and over 8,500 graduate and professional students. Academic programs reside in 17 schools and colleges, as well as a medical partnership with Augusta University housed on the UGA Health Sciences Campus in Athens.

Position Details

Position Information

Classification Title: PSYCHIATRIST
Pay Grade
FLSA
Faculty Rank: Administrative Faculty
Contract Type: Fiscal (12 mo.)
Tenure Status: Non-Tenure Track
Minimum Qualifications

- MD or DO degree.
- Completion of an accredited psychiatric residency; board certified or board eligible in psychiatry.
- Physician licensure in the State of Georgia by date of hire.

Position Summary

The University of Georgia’s University Health Center seeks candidates for the position of Lead Psychiatrist in Counseling and Psychiatric Services (CAPS). This position is full-time, twelve-month, and benefitted. This position reports to the Senior Director of CAPS, is administratively responsible for the oversight of outpatient psychiatric services, and supervises psychiatric staff and the clinic assistant. This position also provides expert consultation to staff throughout the Health Center and participates in Medical Staff oversight of safety and quality in care provision.

Minimum qualifications are an MD or DO Degree and completion of an accredited psychiatric residency, BC/BE in psychiatry, and licensure in the state of Georgia.

Desired qualifications include familiarity and skill with brief assessment, crisis intervention, completion of an accredited child and adolescent psychiatry fellowship, one year of clinical experience in a university counseling or mental health setting, and/or one year of experience as a consulting psychiatrist in a Collaborative Care Model or similar.

The University of Georgia is especially interested in candidates who can contribute to the diversity and excellence of the academic community. We strongly encourage women, minorities and other diverse candidates to consider applying for this position, and maintain that all candidates should share our commitment to diversity and inclusion.

Interested applicants are asked to apply by clicking on the apply button and for full consideration submit their application, curriculum vitae and list of professional references. Optional items to include are three letters of recommendation. Information about CAPS and the University Health Center can be found at http://www.uhs.uga.edu.

This position will be open until filled; to ensure full consideration please apply by August 15, 2018. The prospective hire for the position will be subject to a background investigation per University System of Georgia policies. For more information, contact Randi Davis, rdavis@uhs.uga.edu.

The University of Georgia is an Equal Opportunity/Affirmative Action employer. All qualified applicants will receive consideration for employment without regard to race, color, religion, sex, national origin, ethnicity, age, genetic information, disability, gender identity, sexual orientation or protected veteran status. Persons needing accommodations or assistance with the accessibility of materials related to this search
are encouraged to contact Central HR (facultyjobs@uga.edu). Please do not contact the department or search committee with such requests.

Additional Requirements

Relevant/Preferred Education, Experience, Licensure, and/or Certification

- Completion of an accredited child and adolescent psychiatry fellowship.
- One year of clinical experience in a university counseling or mental health setting.
- One year of experience as a consulting psychiatrist in a Collaborative Care Model or similar.
- Strong interpersonal skills and collaborative skills.
- Strong leadership and managerial skills.
- Familiarity with accreditation (APA, IACS, and or JCAHO) requirements and standards for site visit review.
- Familiarity and skill with a multi-cultural approach to mental health care and wellness.
- Familiarity and skill with brief assessment and crisis intervention.
- Brief and focused therapeutic orientation (cognitive-behavioral, insight oriented or developmentally based).
- Excellent consultation skills.
- Strong outpatient alcohol and drug evaluation and treatment skills.

Preferred Knowledge, Skills, Abilities and/or Competencies

Physical Demands

Active throughout the 8 hours work day to include typical busy medical office/clinic demands, including walking, standing, sitting, reaching, typing, bending, talking, listening, pushing, pulling, and lifting up to 20 pounds.
